DIED TWELVE HOURS LATER

Dispendent From Leading A
Life of Shame And
Debauchery.

A woman known as Mamie Williams, an inmate of a resort kept by Annie Trammell, near the rock quarry northeast of town, committed suicide Sunday, taking 56 grains of bichloride of mercury tablets, from which she died Monday night. The woman was 24 years of age and was addicted to drinking and was probably intoxicated. On Saturday the Trammell woman had discharged her and later her trunk was attached for debt. These troubles were more than the unfortunate "weary of life" could bear and she ended her own miserable existence. Dr. Perkins was sent for, but could do nothing to relieve her from the slow poison that was eating her vitals. She stated that she had a brother in the navy and that her people were buried at Beechwood, Ky.

Gov. McCreary will be inaugurated Dec. 12.

CAUSED BY LAUDANUM

Calvin Allen The Victim of A
Dose of Deadly
Poison.

FOUND DEAD IN HIS ROOM

Had Been on a Spree And
Died Alone In His Board-
ing House.

Calvin Allen, a workman for the Mogul Wagon Works, was found dead in his room at Lee King's boarding house Monday night. He had been drinking during the day and was away from his work, but went to his room before noon. He did not go to his dinner at noon and when he did not come to supper Mr. King investigated and found the door locked. An entrance was forced and Allen was found lying on the bed dead. Life had been extinct for some hours. Lying by the bed was an empty bottle that had contained laudanum. The supposition is that he died from drinking the poison, whether intentionally or ignorantly is not known, as he left no letter to explain.

Allen was about 40 years old and unmarried. He has a brother, his only relative here. The body was taken to Pembroke for interment.

WOMAN IS SHOT

Wounded With a Pistol In The
Hands Of a Jealous
Lover.

WOMAN HAS GOOD CHANCE.

The Would-be Murderer Went
To a Neighbors And Admit-
ted His Guilt.

A negro woman named Millie Moore, cook for the family of Mr. H. I. Minty, on the Clarksville pike, was shot and perhaps fatally wounded by a negro man named George Sanders, Monday night.

Sanders had formerly worked for Minty, but had been discharged. He went to the kitchen where the girl was at work and calling her to the door fired upon her with a pistol. The shot took effect in the girl's forehead and she fell to the ground in an unconscious condition. Mr. Minty hearing the report of the pistol hastened to the scene and found the girl and she was carried into the house. The wound is not believed to be mortal, though the ball took away a part of the skull. Her condition was favorable yesterday.

Sanders ran off and went to Mr. J. F. Garnett's, where he told of the shooting and expressed regret.

HEADLONG TO DEATH

Two Men Fall Over Precipice
At Dalton Quarry In
Darkness.

TOM YOUNG WAS KILLED

John Wynn Escapes Alive But
Is Badly Injured And
Disabled.

Two citizens of North Christian who came to town Monday with loads of lumber, fell over the high bluff created by the excavations in the Dalton Quarry, just outside of town, near the standpipe, Monday night.

Thomas Young was instantly killed by a fall of 40 feet to a ledge, his head being crushed.

John Wynn was not killed, but was terribly injured.

How early in the night it occurred is not known, but it was probably several hours before they were found shortly after two o'clock.

The two men with a brother of Young brought loads of lumber to town too late to have the wagons unloaded. After putting up for the night and getting supper the three men went out on the street and Young told his brother they were going to visit the locality where the tragedy occurred. The latter declined to go and Tom Young and Wynn left.

Late in the night persons in the vicinity heard Wynn groaning down in the quarry and notified Lieut. Hawkins, who sent a detail of officers to the scene, which is outside the city. They found Young dead and Wynn entirely disabled. Ladders had to be procured and Officer Leslie Boxley brought the bodies up a part of the way on his shoulder, climbing the ladder.

Young's body was taken to an undertaking establishment and Wynn was taken to the police headquarters and Dr. B. B. Jackson sent for. His condition was very serious. His skull is probably fractured, one eye is almost out several ribs are broken and there are many cuts and bruises on his body. Mr. Wynn is related to Mr. Major, who lives near town, and Tuesday morning he was taken to Mr. Major's home to be cared for. He is about 42 years old and has a family. His home is at Wynn's postoffice, 20 miles north of town. Mr. Young was 38 and also leaves a family. He lived near Apex, in the extreme north end of the county.

Their lumber was looked after Tuesday by Mr. Young's brother.
